

# Barber Scout Camp Geocaching

There are 4 caches hidden at Barber. They consist of a small Tupperware that contains a note pad and pencil. When you find a cache, please record your group name and date and then return the cache to its original location.

1. "Two Sisters"	N 43° 32' 39.2" W 080° 11' 39.3"
2. "Tumbledown"	N 43° 32' 42.4" W 080° 11' 35.6"
3. "Harriet"	N 43° 32' 47.7" W 080° 11' 40.6"
4. "Sapper"	N 43° 32' 46.5" W 080° 11' 49.6"

Please report any feedback, damaged or missing caches to Scouter Craig.  
The plan will be to change the locations each Summer.

## Geocaching Hints

1. "Two Sisters"  
From the SE Adirondack, proceed on a 170° bearing and follow the trail around to the fire pit. From the fire pit the cache is located on a 045° bearing at 26 paces.  
It is buried under some rocks on the side of a slope.
2. "Tumbledown"  
From the top of Goat Hill., the cache is on a 090° bearing, half way down the hill. It is best to take trail to the left and approach it from the bottom.  
It is next to bush under some sticks.
3. "Harriet"  
From the main fire pit, proceed on a 080° bearing until you cross both bridges. Then turn left to a 338° bearing and walk 24 paces.  
It is under a log next to a tree.
4. "Sapper"  
From the main gate, walk into camp 60 paces. Turn left to a bearing of 360° and walk 50 paces.  
Cache is next to a tree under some bark.
